#### Instruction Opportunities

Instruction options range from a single session to full integration in a research project or course. The librarians can provide customized instruction as well as embed directly in the course for

more in depth assistance.

#### Schedule a Session Now

Interested in scheduling an instruction session for your fall course? Want to learn more about the embedded librarian service? Check out the Instruction at McKee Library research guide for more information or contact Katie McGrath (x2791) or Jessica Spears (x2009).

## Library News

### Upcoming Library workshops, requests, and maintenance

#### EDS & RefWorks Workshops

The library will host four workshops for interested faculty on the use of EDS and RefWorks.

EDS is the library's new search tool, available now on the library's website. Hosted by EBSCO, this discovery service allows faculty and students to search all of McKee Library holdings, as well as collections available outside our library.

Sessions are scheduled for August 18 and 19 at 9 am and 2

pm. Faculty need only to attend one session. Feel free to bring your personal computer or tablet device.

For more information, contact Katie McGrath at [kmcgrath@southern.edu](mailto:kmcgrath@southern.edu) or Jessica Spears at [jspears@southern.edu](mailto:jspears@southern.edu).

#### Requests for New Items

Wish the library had a certain book, film, or periodical? Make your request now! Please send requests for books to Jennifer at [jlhuck@southern.edu](mailto:jlhuck@southern.edu), films to Stan at [scottrell@southern.edu](mailto:scottrell@southern.edu), and periodicals to Deyse at [dbravo@southern.edu](mailto:dbravo@southern.edu).

Prior to sending requests, please ensure that the item is not currently held in the library collection.

#### Air Conditioning Maintenance

The library is currently undergoing some much needed maintenance on our air conditioning system. There will be periodic times of noise and portions of the parking lot are closed. We apologize for any inconvenience.
